### **ACCOUNTABILITY STATEMENT**

In the spirit of transparency and truthfulness, I, the undersigned hereby certify that the data and information reflected and mentioned in the 2021 Accomplishment Report are true and correct to the best of my knowledge and understanding.

Signed this 28<sup>th</sup> February 2022 at the Bulan Water District, De Vera St., Zone-4, Bulan, Sorsogon

Signed and Certified by:

ENGR. REY DENNIS L. GILBAS
General Manager C

### PURPOSE OF THIS ACCOMPLISHMENT REPORT

The Bulan Water District Accomplishment Report for CY 2021 is an offspring of Bulan Water District's efforts to institute quality management systems all throughout the organization for the Year 2021. Its purpose is to document the requisites to effectively manage and sustainably operate the water district. It covers the programs and projects of the Bulan Water District water district, the demands of ensuring water safety, the nature and requirements of operating and maintaining the water distribution system, and its administration, commercial, financial and social aspects.

Hopefully, the Accomplishment Report for CY 2021 will be an aid for motivation among employees and other water districts to develop programs and projects for the benefits of concessionaires.

### HIGHLIGHTS OF ACCOMPLISHMENTS

Water remains to be a top essential element during Covid-19 Pandemic. The Bulan Water District has continuously utilized the S.P.A.C.E Program or the Social Participation Against Covid19 thru E-Governance to ensure safety thru water service projects and employee-concessionaires programs that will provide safe and healthy environment to all stakeholders of Bulan Water District.

The Bulan Water District secured the Vaccination of all Employees from Board of Directors, Permanent Employees and Contract of Services to secure safety of employees. The BWD continued to deliver what is expected and spent 2021 on the Development of Projects for the Sufficiency of Water Supply in compliance to the Philippine National Standards for Drinking Water (PNSDW) while ensuring operational excellence. We might have encountered some issues and problems for daily operations, still we achieved the following Milestones:

- Completion of ICG Project Php 70,000,000.00 (Phase 1 Design and Build for the Upgrading and Rehabilitation of BWD Water System & Phase 2 - Design and Build of 5000 cmd capacity Water Treatment Facility.
- Water Sources Development New Spring Source Lakha Spring of Brgy. Dolos, Bulan, Sorsogon
- Improvement and Increase in Service Connections (Population Served, Active, & Billed)
- Intensive Implementation of Programs and Projects to the Reduction of Non-Revenue Water (NRW)
- Expansion and Extension to three (4) new Baranggays namely: Brgy. Sta. Remedios, Brgy. Beguin, Brgy. Calomagon & Brgy. San Juan Bag-o
- > Implementation of the 4Cs for the Operations (Connection, Consumption, Collection & Customer Satisfaction)
- Continuous Development and Maintenance at the Mini-Watershed of the Bulan Water District
- Proposals to the LGU-Bulan for the Development of Septage Management
- Revision of Business Plan
- Improvement/Update of the Disaster Risk Reduction Management Manual
- Improvement/Update to the Citizens' Charter for CY 2021
- Implementation of S.P.A.C.E Program thru the following:
  - Team Scheme Workforce
  - E-Governance thru Zoom Meetings and Team Viewers
  - Development of Geographical Information System (GIS) and other LAN
     System for efficient database management
  - Sanitation & Maintenance of Facilities
  - IEC Materials and Fliers

### **VISION:**

TO BE EFFICIENT IN PROVIDING WATER AT REASONABLE COST AND GOOD SERVICE TO THE COMMUNITY.

### **MISSION:**

WE COMMIT TO SUPPLY SAFE/AFFORDABLE AND POTABLE WATER TO THE COMMUNITY. TO CONDUCT OTHER FUNCTIONS AND OPERATIONS INCIDENTAL TO WATER RESOURCE DEVELOPMENT.

### **GOAL:**

TO SERVE WITH DIGNITY AND HONOR.

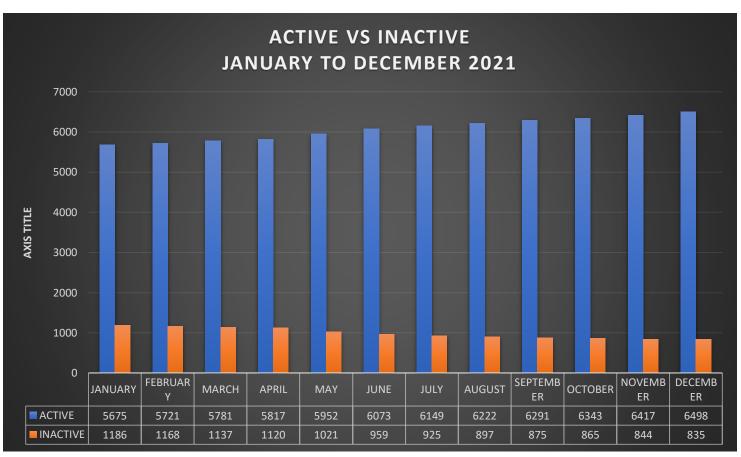

### **GRAPHICAL PRESENTATION**

# ORGANIZATIONAL STRUCTURE CY 2021

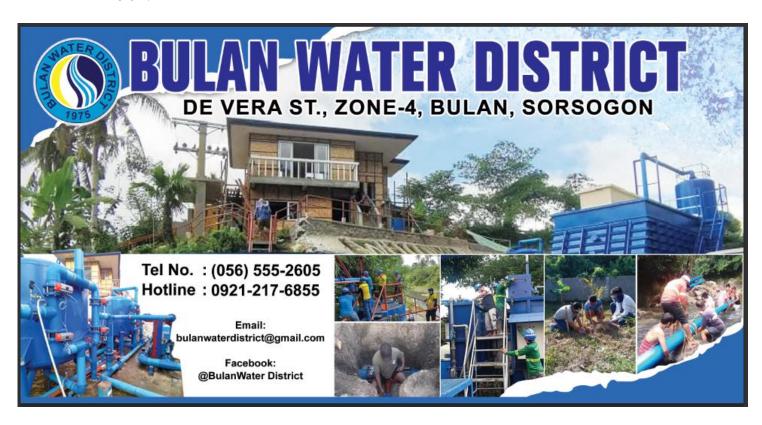

### 2021

### HIGHLIGHTS OF ACCOMPLISHMENT REPORT

A. Completion of ICG – Project Php 70,000,000.00 (Phase 1 – Design and Build for the Upgrading and Rehabilitation of BWD Water System & Phase 2 - Design and Build of 5000 cmd capacity Water Treatment Facility.

The ICG Project amounting to Php 70,000,000.00 has been completed in the Year 2021 for Phase 1 – Upgrading and Rehabilitation of BWD Water System & Phase 2 – Construction of 5000 CMD Capacity Water Treatment Facility of Brgy. Lajong. The Bulan Water District has utilized the New Water Source by April 2021 and has excessively provided improvement in the water supply for the Concessionaires of Bulan.

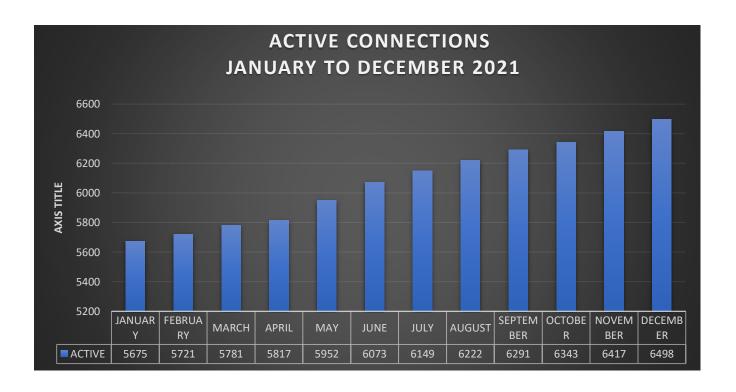

# B. Water Sources Development – New Spring Source – Lakha Spring of Brgy. Dolos, Bulan, Sorsogon

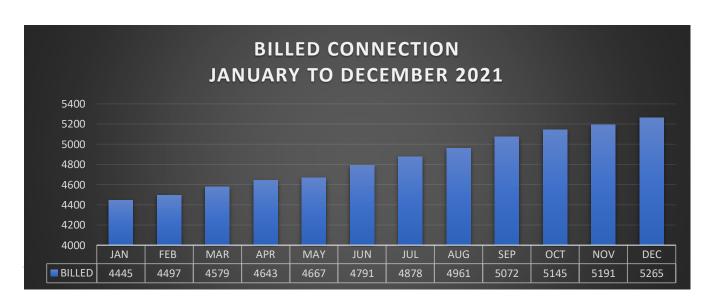

To ensure sufficiency of Water Supply, the Bulan Water District has conducted the Water Source Development of a New Spring Source name Lakha Spring at the Brgy. Dolos, Bulan, Sorsogon. The Spring has undergo Physical/Chemical Test and has complied to the Philippine National Standards for Drinking Water (PNSDW). The Additional Water Source will now generate abundant water supply and sufficiency specially every Summer or during drought.

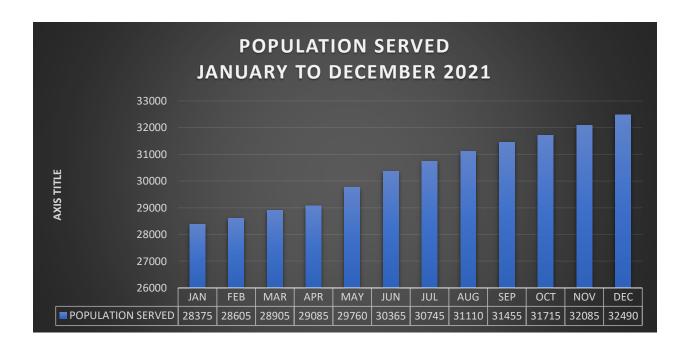

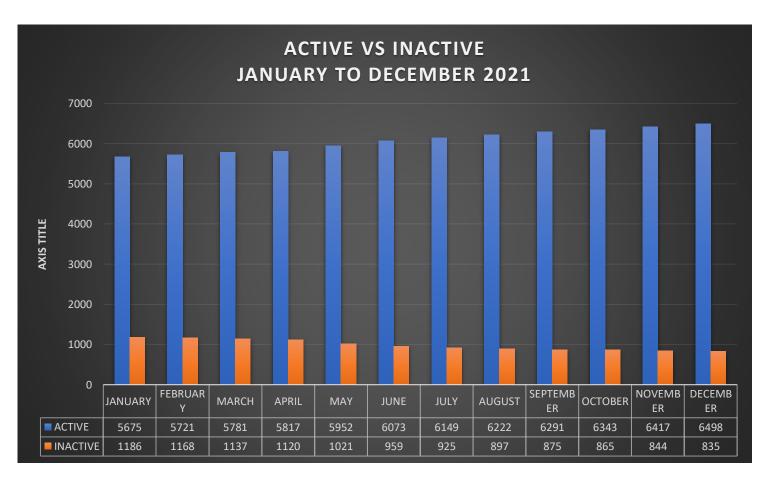

# C. Improvement and Increase in Service Connections (Population Served, Active, & Billed)

The Sufficiency of Water Supply has provided improvement of the Number of Service Connections based on Population Served (Active & Billed Connections). With the Addition of New Spring Source – Lakha Spring and the Construction of 5000 CMD Capacity Water Treatment Facility both tested in compliance to the Philippine National Standards for Drinking Water. BWD has gained a Billed Connection of 5265 by the end of December 2021.

# D. Intensive Implementation of Programs and Projects to the Reduction of Non-Revenue Water (NRW)

The Bulan Water District has committed to the Reduction of Non-Revenue Water (NRW) in which programs and projects has been created to address this matter. The BWD has reiterated the utilization of Hydrants to the BFP thru Board Resolution No.024 S. of 2020 Code 03 – Policy Guidelines in the Grant of Request for Bulk Water Supply thru Transport Services & Resolution No. 025 S. of 2020 Code 03 – Policy Guidelines in the Utilization of Water Hydrants.

A Monitoring Officer has been situated at the Location of Road Widening Projects of DPWH and LGU Bulan to guide the Contractors to ensure safety of Main Distribution Lines during excavation. Damager on Water Distribution Lines are now billed to Contractors and have submitted Demand Letters on the Non-Revenue Water due to leakage and other disrupted equipment.

Benchmarking activity conducted by the Calabanga Water District thru the Test of Portable Flow Meter/Clamp Meter, to be utilized for testing at the Water Sources of Bulan Water District.

Recording Repairs and Maintenance Date and Duration for Water Data Analysis to improve programs for the Reduction of Non-Revenue Water (NRW).

# E. Expansion and Extension to three (4) new Baranggays namely: Brgy. Sta. Remedios, Brgy. Beguin, Brgy. Calomagon & Brgy. San Juan Bag-o

With the sufficiency in water supply, the Bulan Water District have conducted the Expansion and Extension projects for (4) new Baranggays such as Brgy. Sta. Remedios, Brgy. Beguin, Brgy. San Juan Bag-o and Brgy. Calomagon. These are potential Baranggays for Potential Service Connections that will be added to the current Baranggay Served of the Bulan Water District. The Baranggay Council is also as supportive as ever to ensure that their constituents or the potential

# F. Continuous Development and Maintenance at the Mini-Watershed of the Bulan Water District at Brgy. Dolos, Bulan, Sorsogon.

The Sangguniang Bayan of LGU Bulan has approved the Resolution No. 070 S. of 2019 or the Declaration of the Lot of BWD at Maribok Spring, Bulan, Sorsogon as a protected Mini Watershed Area as per BWD Resolution No. 09 and No.08 S. of 2019 Code 20. The Bulan Water District have been conducting maintenance and development of the Mini Watershed. Conducted Tree Planting Activities and Monitoring of the Watershed Management Section Head and Water Sources Caretaker to ensure the Maintenance of the Mini Watershed at Brgy. Dolos, Bulan, Sorsogon. Endemic and Fruit Bearing Trees has been planted around the BWD Mini Watershed through the years. Seedlings are also maintained the Brgy. Calpi, Bulan, Sorsogon for future utilization on Tree Planting.

### G. Proposals to the LGU-Bulan for the Development of Septage Management

The Bulan Water District has continuously conducted efforts in the Compliance of the Agency's Mandate, one of which is the Development of Septage Management. In 2021 the BWD Management have submitted a proposal on the Structural Design of the Septage Management Facility to the Office of the Mayor, and have requested the Sangguniang Bayan and the Office of the Mayor for a at least a 500 Sq.M Lot to be utilized for the Septage Management. The continuous commitment of the Bulan Water District to secure water safety has urge to seek the assistance of the LGU Bulan for us to work hand and hand to achieve this mandate.

Note: Subject for Changes upon Update by CY 2022

### I. Improvement/Update of the Disaster Risk Reduction Management Manual

The Bulan Water District grows and improve, and due to the experience, the agency has been Climate Resilient and has been improving the Disaster Risk Reduction Management Manual, the CY 2021 have included the Safety Protocols Against Covid19 Pandemic, for it has affected the Operations and the movement of the Workforce. It has been imperative that the Agency will always secure and safe for whatever Disaster, Phenomena and other Calamities that may be encountered by the Agency. We commit to the safe and quality delivery of Water Supply and have ensured that the Safety Officer will be monitoring the needs of personnel and improvement of facilities for safety. One of the programs to secure safety in the workplace, is the distribution of Safety Equipment during the conduct of their duties and responsibilities.

### Improvement/Update to the Citizens' Charter for CY 2021

Due to the Pandemic the Bulan Water District have created programs that will be convenient to the Concessionaires of the Agency. These are the following notable improvements in the Customers Services:

- Massive Utilization of FB Messenger, Hotline & Email (Contact Number updated on the Database)
- o Online Filing of Senior Citizen Application for Discount
- o Online Filing of Application for New Connection
- Online Payment for the Installation of New Connection

### COVID19 – RESPONSE FOR NON- FACE-TO-FACE TRANSCATION

# EXTERNAL SERVICES (SOCIAL PARTICIPATION AGAINST COVID19 thru EGOVERNANCE – S.P.A.CE) PROGRAM

Wag
Kalimutan
magdisinfeet
Ang pag-didisinfeet ay isang
mabisang paraan nag pagla
ban sa pagkalat ng Covid 18
Magdiugas ng kanay sa lool
ng 20 segundo. Ugaling
mag disinfeet gamit ang
alcohol o arumang
hand sanitizer.
Mas mainam kung mayrom
foot bath na may tubig at
chlorine upang mahugasan
ang inyong mga tsinelas.
