1. **Process of Referral.** – When the requested information is not in the possession of a government agency (government agency no. 1 or GA1), but is available in another government agency (government agency no. 2 or GA2) under the Executive Branch, the request shall be immediately referred by GA1 to GA2 through the most expeditious manner but not exceeding three (3) working days from the receipt of the request. This shall be considered as the “First Referral” and a fresh period will apply.

Referral to the appropriate government agency shall mean that another government office is the proper repository or custodian of the requested information or records, or have control over the said information or records.

If GA1, in good faith, erroneously referred the request to GA2, the latter shall immediately notify the former as well as the requesting party, that the information requested is not available in their agency.

GA2, to whom the request was referred under the First Referral may subsequently refer the request to another government agency (government agency no. 3 or GA3) under the procedure set forth in the first paragraph of this Section. This shall be considered as the “Second Referral” and another fresh period shall apply.

Referrals under this Manual shall only be limited to two (2) subsequent transfers of request. A written or email acknowledgement of the referral shall be made by the FRO of the government agency where it was referred.

In all phases of the referral, the requesting party shall be informed in writing, email, and/or through the eFOI of the status of his/her request.
